

Covid-19: Fall 2020 Adjusted Team Selection Process

Due to current circumstances, we are unable to conduct a usual team building process, which includes tryouts and selection for our Bays Travel teams. We are working hard as a club to navigate these new circumstances to create teams in the fairest possible way, and we have developed the enclosed adjusted process/timelines.

Use the clickable player/coach links below to explore how the team selection process and timelines have been impacted, and our adjusted plans for each age group/program. Alternatively you can scroll through to read the full document.

NSC BAYS Travel (Grades 4-8)

Adjusted Team Selection Process 2020/21

How has Covid-19 Impacted our Normal Spring Team Selections?

- ❖ The inability of our players to showcase their development this spring.
- ❖ The Inability for our coaches to evaluate our players this spring.
- ❖ The inability to run a Spring Season or Hold Tryouts - There will be NO 4th Grade "B" and 6th Grade "C" BAYS Travel Teams for the fall 2020 season.
- ❖ Tryouts will take place for these teams to be selected for spring 2021 Travel Soccer.

Moving Forward to the Fall What is the NSC's Plan?

- ❖ We are expecting very little movement in creating teams for the fall 2020 season.
- ❖ We are currently preparing a process for the fall, this will allow for further player identifications and evaluations to create roster movement for Spring 2021 (if needed)
- ❖ 4th Grade "B" and 6th Grade "C" BAYS Travel Teams tryouts and selection will now take place in the fall for spring 2021 season.
- ❖ ALL BAYS TRAVEL TEAMS will be reviewed in fall 2020 with the possibility of adding/dropping players for spring 2021 season.
- ❖ Possible opportunities being looked at for Players to develop & be seen outside team play in the fall include...
 - Fall ID Clinic – Free Player Identification Clinic run by NE Revolution Academy Coaches where any player or coach who wants to be considered for a BAYS Travel Team is encouraged to participate.
 - Group Practice Nights – As much as possible, Travel A & B Teams to practice together during the Fall season.
 - NSCCL Jamboree
 - Columbus Day Tournament Teams – NSCCL coaches are encouraged to participate
 - Possible NSCCL All-Star Games

NSC BAYS Travel (Grades 4-8)

Adjusted Team Selection Process 2020/21

Spring 2020

- ❖ Prospective Travel coaches all registered by June 15th
- ❖ Coaches Slate by June 16th (including Grade 4 “B” and Grade 6 “C” teams)
- ❖ Roster Commitments/Changes starting on June 17th
- ❖ Some teams will need to add to their roster due to player commitments since the fall
- ❖ No adjustments for teams who do not need to increase roster size staying in same age group
- ❖ Teams who need to increase roster size because they are moving up into a new format Ex. 9v9→11v11
 - Some teams may not increase their size, so they can add players in the fall for their spring roster

Fall 2020

Covid-19 Coach's Adjustments

- ❖ Teams will be reviewed in fall 2020
- ❖ Possible *NEW* team for spring 2021
- ❖ Players will have ample opportunity to be seen by coaches (see below)
 - Players can be added to roster if deserving
 - Players may need to be placed on a lower team

Opportunities to be seen by coaches

- ❖ Opportunities for A and B teams to share practice time and location
- ❖ Coaches encouraged to scout players at games
- ❖ Possible ID Clinic run by Rev's and scouted by coaches
- ❖ Possible tourney teams for new 4th & 6th grade teams
- ❖ NSCCL Jamboree
- ❖ Possible NSCCL All-Star Game
- ❖ Review with Coaches at end of season to confirm any roster changes

COVID -19 Adjustments - NSCJA

Due to the shortened nature of our Team Creation Window (fall registration is normally the month of May):

1ST Grade teams moving into 2nd Grade, will largely remain in “in-tact”

This will allow our directors to move quicker to create new 1st grade teams & communicate these teams to all NSCJA families in a more timely manner.

Coaches are required to register each season, and be in compliance with SafeSport
